Assistance with Disability Claims

Social Security Income/Disability Outreach Access and Recovery Program (SOAR)

SOAR is a process where eligible individuals who reside in the Tri-County area (Wicomico, Worcester, and Somerset counties) can have support from a case manager to focus intensively on their disability claim. To be eligible you must be 18 years of age, diagnosed with a serious mental illness, be homeless, or at risk of becoming homeless, and must have difficulty in three of the four areas- activities of daily living, social situations, concentration and learning abilities, and increased symptoms of mental illness. The SOAR process is designed to have a decision for disability claims within 90 days of completing your application.

Supportive Services for Veteran Families (SSVF)

Program is designed to address homelessness and is a "Housing First" model to help Veteran families with housing outreach and assistance addressing factors such as unemployment or lack of income, limited income, disabilities, mental illness, substance use, poor credit, criminal histories and traumatic events that affect housing stability. The SSVF program is designed to help Veteran households address these issues and secure permanent housing. SSVF provides a short, intensive period of case management to linking families to benefits and may provide temporary financial assistance with housing and moving expenses. Veterans with low-income facing housing instability should apply.

- Limited financial assistance helps Veterans remain in or obtain permanent housing such as rent (not including mortgage payments) security or utility deposits, utility payment, moving costs, transportation, and child care. ***Only participants receiving case management are eligible for financial assistance payments.**

Three agencies to offer SSVF services are:

1. Alliance Veteran Housing Outreach & Assistance
